

G333 Counter Table Bracket

- This is a counter table bracket.
- The compact height dimension on the wall side makes the hardware less noticeable when installed.
- Accessories / Truss tapping screws 6 × 35, 6 pcs. (painted in the same color)
Truss tapping screws 6 × 25, 6 pcs. (painted in the same color)
- ※ Please use a strong material for the wall surface where the bracket is installed.
- ※ The recommended shelf depth is 4/3 times the length of the shelf bracket, and the load applied to the center of the shelf shall be regarded as the load capacity.
